REASONS FOR ALLOWANCE

1. Claims 1-3, 5, 6, 8-10, 12-22, and 24-36 are allowed.
2. The following is an examiner's statement of reasons for allowance: An Article in the Credit Risk Management Report in 1996 discloses the use of a Mom and Pop operation which focuses on credit card fraud. In 1996 the program identified high risk addresses, discloses discrepancies in credit card applications to identify high risk information as well as identified impossible address combinations. Fraud Point was sold to Lexis Nexis and currently analyzes two addresses for fraud (most recent and previous) and discloses calculating a risk score, however is silent to using demographics of the two addresses to calculate a risk score, also the priority date of the invention is in November of 2002. Therefore at the time the invention was made, a method for assessing a risk of fraud, where demographic data from two addresses are determined, the difference is calculated, then a risk score is calculated from the difference is not anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
